

Ms. Sharmistha Dasgupta, DDG,NIC New Delhi in Guwahati High Court

An interactive session was held in Gauhati High Court on 24th May 2023 taken by Ms. Sharmistha Dasgupta, DDG, NIC, New Delhi on AI Adoption in eGovernance Projects with special emphasis on AI use in Courts. The session was inaugurated by Registrar (Judicial & IT) and was attended by Joint Registrar(PM&P)-cum-CPC, Gauhati High Court, Senior Consultant(IT), Senior Director(IT) and Coordinator, High Court, NIC and all Officials of the IT & Computer Section and also officials of the Translation Section of the High Court.

The Session was lively and interactive and everyone present showed keen interest and participated in the interactions. It was decided to immediately form different groups to implement & explore some of the tools like Panini, Shruti, AI Vani, AI Saransh etc. provided by the Centre of Excellence in Artificial Intelligence, NIC, New Delhi.

The Session was followed by a meeting with Hon'ble Mr. Justice Suman Shyam, Chairman, Judges Committee for Information & Communication Technology and Artificial Intelligence, Guwahati High Court with Ms. Sharmistha Dasgupta, DDG,NIC, New Delhi. The meeting was also attended by Registrar (Judicial & IT), Joint Registrar(PM&P)-cum-CPC, Senior Consultant(IT), Senior Director(IT) and Coordinator High Court, NIC and senior Officials of the IT & Computer Section of the High Court.

Hon'ble Mr. Justice Shyam directed that immediate steps be taken to implement the different tools like Panini, Shruti , AI Vani, AI Saransh etc. provided by the Centre of Excellence in Artificial Intelligence, NIC, New Delhi. He assured all help to get these implemented not only in Guwahati High Court but in the District Courts as well.

Some glimpses of the interactive session
